\$27 THE SUCCESS OF THIS WORK IS WITHOUT A PARALLEL.

From Rev. Edward Wall, Principal of Stevens High School,  
Hoboken, N. J.:  
NOVEMBER 6, 1872.  
"Swinton's Condensed School History of the United  
States" was adopted as one of the text-books of this  
school, soon after it was issued. The examination and  
approval which I gave, previous to its introduction, have  
been unanimously endorsed by the teachers of the  
grades in which it is used. The history bears traces in  
every part of that mastery of detail, of that practical  
acquaintance with the work of instruction, and of those  
studies in history, with which the name of Mr. Swinton  
has been associated."

From Prof. James E. Yess, Principal of Albany (Kansas)  
Seminary:  
"We welcome this book. It is a remarkable work.  
The plan and point of its style are delightful—short  
periods—brief paragraphs—no fine writing—no story-tell-  
ing—no jumbling and confusion of events. This is the  
crowning excellence of the work—something that many  
of us have long sought in vain among the school histo-  
ries. The work is evidently, as its author says, 'the re-  
sult of many years' occupation in classroom recitation,'  
and most eminently is a book for classroom work."
